Re: Postponement of High School Graduation

After a meeting with school principals, we have made a decision to postpone high school graduation to the fall.

Graduation is a very important milestone in a young person's life and we feel a ceremony to mark this occasion is very important for all.

School principals will be responsible for contacting families of grade 12. Please feel free to contact your school principals if you have any questions or concerns.

Also you can contact me at 204-838-2067 ext. 3.
