

McCreary School Community Report 2020-2021

McCreary School is a K-12 school with a student enrolment in the 2020-2021 school year of approximately 160 students. There are 14 professional staff, eight educational assistants, a secretary, a librarian, two custodians, and four bus drivers.

McCreary School is proud to offer a variety of academic courses at the high school level, including all post-secondary pre-requisite science and math course options.

McCreary School offers cutting-edge technology for students taking technology education courses, including a new CNC machine and laser printer. Other unique elective courses offered at the school include Hockey and Exercise Science.

McCreary School places great emphasis on the success of all of our learners. Our current school goals areas, which align with the school division goals, include a focus on literacy, numeracy, and mental health.

McCreary School will continue to strive to maintain an atmosphere that is welcoming and safe for all students, and engages all students in their learning, development, and growth.

Welcome

McCreary School would like to welcome Miss Shaelyn Leflar to the school, as the Grade 3 teacher. The Grade 3 and 4 classroom will be split into two separate classrooms for the 2021-2022 school year.

McCreary School would like to wish all of our students and their families a fun and enjoyable summer break! We look forward to seeing everyone back in September!

Meet The Teacher
On Tuesday, September 7th, from 4:30pm-6:30pm McCreary School will be hosting a meet the teacher event (Covid permitting). Families can come to the school to meet their teacher and see their classroom prior to the first day of classes. Please feel free to bring school supplies at that time as well!
