Classroom Expectations for Students:

1. Every student is expected to keep a neat, well-organized notebook and portfolio for:

- class notes and handouts
- homework assignments and tests
- project and task materials
- research work (collection of images and source material)

2. Students are expected to be willing and active participants in all course activities. This includes completing all assignments both on time and with sufficient effort and honoring all of their commitments. (Try your best and remain open to new ideas and to use your time in class for reflection and exploration!)

Classroom Expectations ' Continued':

3. Students will contribute to a positive learning environment by:

- arriving in class on time and either taking their seat or going directly to work.
 - bringing *sketchbook, notebook, and pencils to every class.*
 - working quietly and staying on-task at all times.
 - Being respectful to others and respecting their property: The art room is a place where all students should feel safe and respected for who they are. Art is an expression of the self that should reflect who we truly are. This cannot happen in a classroom where there is judgment, or hostility.
 - always practicing safe work habits and reporting unsafe or hazardous situations to the teacher.
 - cleaning up the art room and putting everything away before they leave the class in an orderly and safe manner – part of your final mark will reflect your care for your peers and the classroom.
 - Respect and care for the planet. As artists we have a duty to care for the materials that we use (paper, paints etc.) to avoid waste. We also should be mindful of the effects on the environment of disposing of materials (*ie. Paint and other materials down the sink*).
- Students are expected to arrive for class on time and prepared (with all required materials).
 - If a student must be absent from class, prior notice should be given, and any missed work must be completed immediately after the student returns to class. It is the student's responsibility to ensure all missed work is completed.
 - All assignments are to be completed to the best of the student's ability. Substandard work will not be accepted, and the student will be required to redo the assignment properly.
 - This is high school art course and students are expected to behave as responsible young adults. As principal duties may require my absence from class on occasion, students are expected to be able to work independently and with limited supervision. This includes being self-sufficient on occasions where I am unable to attend the start of class or am called away during scheduled class time.

Plagiarism/Cheating Policy:

The school handbook outlines the expectations in regards to academic dishonesty (If at any time you are unsure about an assignment it is the student's responsibility to ask for clarification), attendance and the use of technology.

1st offence- The student will receive a zero (0) on the assignment. A phone call/email will be sent to the parent/guardian.

2nd offence- A letter will also be sent home to the parent/guardian. The parent/guardian must sign the letter and return it to the school. The student will receive a zero (0) on the assignment.

3rd offence- The student will receive a zero (0) on their assignment and they will be referred to the principle for further disciplinary action. A meeting will need to be arranged with the parent/guardian to address the severity of this issue.
